"To Protect and Serve"

Commend an Officer/Civilian Employee

Our department and officers are dedicated to providing our citizen with outstanding service when possible. In the course of our daily operations, it is difficult to keep track of all the individual ways our officers and staff help to make a difference in the community.

If you have dealt with an officer or civilian employee who you feel went above and beyond in their service to you, we would love to hear about it! Commending an officer or civilian employee for their efforts is easy and only takes a moment of your time to complete the following:
